Queen Elizabeth II Platinum Jubilee.

Celebrations in School.

Thursday 19th May 2022.

Dear Parents and Carers,

We are very excited to join the whole nation to celebrate the Platinum Jubilee in school on Thursday 19th May 2022. The celebrations will take place all day and we hope that the children will make memories that will last a lifetime. The day will form part of our British Values curriculum.

What you need to know: -

- It will be non-uniform on this day and the children will be asked to wear red, white and blue clothes.
- All the children (and adults) will enjoy a picnic lunch on the school field (or inside if the weather is poor). The class teacher may be asking some children if they have a picnic blanket that we can borrow.
- Each year group will concentrate on a particular decade from the 1950s to the 2020s. They will sing a famous song and learn about an influential person from their decade. Why not ask them who they are learning about and what they are singing.
- The whole school will be decorated in red, white and blue flags and bunting and the children will be making union jack flags to wave in our special assembly. In this assembly, we will be singing songs such as "Land of Hope and Glory" and the "National Anthem" just like Last night Of The Proms.
- We will have a music festival and dancing outside and the children will be dancing to songs from the Queen's reign such as The Twist from the 1960s, YMCA from the 1970s and The Birdy song from the 1980s.

I hope that you agree that this sounds like a wonderful day of celebrations and that you talk to your child or children about participating.

Thank you as always for your support.

Mrs M. Mason
