Words of the Week

This week we will be focussing on the following vocabulary:

- Earth
- Recycle
- Bio-degradeable
- Double
- Graduation

Try to use this vocabulary in your speech this week.

Maths

Click the links below for this week's Maths activities:

Monday - [Session 1 - Doubling on Vimeo](#)

Tuesday - [Session 2 - Doubling \(2\) on Vimeo](#)

Wednesday - [Session 3 - Doubling Dice Game on Vimeo](#)

Thursday - [Session 4 - Doubling Barrier Game on Vimeo](#)

Friday - [Session 5 - Domino Game on Vimeo](#)

You can also watch Numberblocks Series 1, 2 and 3 here... [BBC iPlayer - Numberblocks](#)

You can also download the free White Rose app (from the app store or play store) for your children to play on:

[1-Minute Maths – Apps on Google Play](#)

[1-Minute Maths on the App Store \(apple.com\)](#)

Please also encourage your child to play on Numbots:

[Numbots Game](#)

Literacy

Please see below for this week's Literacy activities:

Monday - Our story of the week this week is 'Michael Recycle' by Ellie Bethel. Listen to the story here:

[Michael Recycle By Ellie Bethel & Illustrated by Alexandra Colombo - YouTube](#)

Tuesday - Think about all the ways in which we can help Planet Earth. Make a mind map with your grown up. Some ideas include: pick up litter, turn off the tap, switch off the lights.

Wednesday - Choose one of your ideas from the mind map from yesterday. Write a sentence to explain how you could help the planet. For example, "I can put it in the bin.", "I can turn off the light." Remember to use The Magic 5!

Thursday - Have a go at sorting some rubbish with your grown up. What can be recycled? What can't be recycled? Have a go at putting the rubbish in the right bin.

Friday - Practice your letter formations: 'd', 'e', 'g', 'i', 'm', 's', 'h', 'p', 'a'. Write some CVC words using these letters.

Wider Curriculum

We are already in the final term of Reception. Talk to your grown up about what you have enjoyed best about this year. Draw a picture which shows the things you have liked the most. Include as much detail as you can.

For our graduation, we will be performing 'This is me' from The Greatest Showman. Practice the song at home in preparation. Remember to do the actions as well! [This is Me Makaton Dance - YouTube](#)
