

Governance within Inspire Partnership Multi Academy Trust

November 2022

INTRODUCTION

The Inspire Partnership Multi-Academy Trust (IPMAT) is a private company limited by guarantee and is, therefore, subject to company law and specifically the provisions of the Companies Act 2006. The Articles of Association, which form the Trust's constitution, are, in effect, a contract between the company and its Members (there are no fines for non-compliance with the Articles). As an exempt charity (i.e. exempt from registration), the Trust is also subject to charity law and the provisions of the Charities Act 2011. The principal regulator is the Secretary of State for Education.

The Trust's governance includes: Members; Trustees; and Governors, who sit on the Local Governance Board (LGB) of each Academy/School.

IPMAT is subject to a legal contract with the DfE, administered by the Education and Skills Funding Agency (ESFA), which can be found in the Funding Agreement document. There is a master agreement and supplementary agreements with each Academy/School. The Articles of Association sets out the Trust's charitable objectives, the composition of governance and its overarching procedures.

The IPMAT Scheme of Delegation is reviewed annually, and details how decision-making powers are delegated between the Members, the Trustees, the CEO, the Local Governance Boards and the Headteachers of the Academies.

Respect

Where respect is the foundation of each school community, built upon professionalism, appreciation for diversity and embracing individuality.

The Nolan Principles

Members, Trustees and LGB members recognise the importance of the Nolan Principles of selflessness, integrity, objectivity, accountability, openness, honesty and leadership. Individuals should understand and follow the Principles in all they do.

All those involved in governance at Trust or Academy level should also exhibit the 7 Cs:

- Committed – devoting the required time to the role
- Confident – of an independent mind, able to lead and contribute to courageous conversations
- Curious – an enquiring mind and analytical approach

- Challenging – providing appropriate challenge to the status quo, not taking information at face value
- Collaborative – prepared to listen and work in partnership with others
- Critical – critical friendship which enables both challenge and support
- Creative – able to challenge convention wisdom and be open-minded

At the first meeting of a school year, individual Members, Trustees and Governors sign the relevant Code of Conduct for their group as well as a Declaration of Interest form.

MEMBERS

All companies must have at least one Member. IPMAT, according to its Articles, must have at least three. The Department for Education's policy is that Trusts should have five to avoid deadlock when passing a special resolution requiring a 75% majority. The Inspire Partnership MAT has five Members who bring a wealth of experience from the world of business, finance and education.

The role of the Members

The Members determine the ethos and purpose of the Trust (i.e. the provision of education) and the way it is governed (which are set out in the Articles of Association) and have the right (not an obligation) to participate in governance by appointing and removing Trustees. They also have a right to receive the Trustees' annual report and accounts which is discussed at the general meeting. In effect, the Members play an important role in overseeing and holding the Trustees to account for the governance arrangements of the Trust.

The Members are the equivalent of the shareholders in a commercial company but do not receive dividends. In simple terms, the Members "own" the Multi-Academy Trust. They do not have any specific duties imposed on them by the Companies Act 2006 but are asked to provide a 'guarantee' such that if the IPMAT were to be wound up and the assets did not meet all of its liabilities, they would be asked to contribute no more than £10. They have a number of statutory rights which are set out in the Trust's Articles of Association. The Articles can be reviewed when necessary.

The Members:

- are the signatories of the Memorandum and the Articles of Association;
- determine the name of the Trust;
- appoint Members and Trustees;
- appoint and remove the auditors;
- are entitled to receive a copy of the Annual Accounts and Report;
- ensure the success of the trust;
- meet at least once a year at a General Meeting;
- can dissolve the trust.

Members only need to meet once a year at the Annual Meeting and at an extraordinary meeting if one has to be arranged. However, the Members of the IPMAT meet termly. In addition to the Annual Meeting, Members also meet in order to be kept informed of developments within the Trust, receive updates on the performance of the Trust's Academies/Schools and to hear of any Member and Trustee resignations/appointments. Annually, Members each sign the IPMAT Code of Conduct.

It must be noted that the Members have statutory rights and have:

- the right to remove Trustees by means of an ordinary resolution (ie a majority vote) before the expiration of his or her term of office. However, the Act contains a very detailed procedure that must be adhered to and is not recommended without taking legal advice.

- the right to amend the Articles by means of a special resolution (ie a 75% majority vote) subject to any consent required by third parties. For example, if amendments are proposed to the Academy Trust's charitable purposes, it is likely that the consent of the Charity Commission would be required and the Secretary of State for Education (via the Education Funding Agency (EFA)), which would need to consent to either changes relating to the appointment and resignation/removal of Members and Trustees or changes depending on the version of the Articles that the IPMAT has in place. It is also not possible for amendments to be made to the Articles which would cause the Academy Trust to cease being a charity.
- the right to receive the annual accounts but not to approve the annual accounts. The Trustees approve the annual accounts once prepared. The Trust's financial year end is 31 August and the accounts must be filed with Companies House by 31 May the following year. It is this date (31 May) by which the Members must receive the annual accounts although they may, of course, receive them earlier.
- the right to appoint the auditors In each financial year when there is a 28 day period of appointing auditors which begins from the date on which the audited accounts for the last financial year were circulated to the Members. During this period, the Members may appoint or re-appoint an auditor. If this doesn't happen, the current auditor remains in office until the Members pass a resolution to re-appoint or remove them.

Members also have rights under the Articles of Association and can:

- appoint Trustees. The Articles provide that the Members may appoint up to a total of 11 Trustees by ordinary resolution through such process as they determine. Such appointments can take place either at a meeting of the Members or by writing to each Member at other times during the year.
- appoint and remove Members. The Articles provide that the Members may either pass a special resolution in writing (i.e. a 75% majority vote) or a written unanimous resolution to appoint additional Members and to remove any such additional Members, provided that such appointment or removal is in the best interests of the IPMAT. The Members may also be able to agree to remove any Member who was a signatory to the Memorandum (save that the agreement of the Member concerned is not required) and provided that such removal is in the best interests of the Academy Trust.

It must be remembered that:

- Members cannot be employees of the Trust;
- the Academies Financial Handbook requires the appointment of any new Member to be notified to the EFA (via Edubase) within 14 days of the appointment;
- the appointment and resignation / removal of Members does not need to be notified to Companies House;
- the Academy Trust's statutory books / registers should include a register of Members which should be kept up-to-date particularly on appointment and removal / resignation.

Members cannot tell the Trustees how to run the Trust. The business of the IPMAT is primarily conducted by the Trust Board and not by the Members. They cannot attend Trust Board meetings (unless they are also a Trustee). Furthermore, they do not have voting rights at Trust Board meetings nor can they set the Trust Board's agendas and/or priorities. Finally, they cannot appoint or performance manage the CEO.

The Annual Members' Meeting should take place in the spring term or early in the summer term, ensuring it takes place before the accounts have to be submitted to Companies House by last day in May. The annual accounts must be circulated to Members at least two weeks before the meeting takes place.

TRUSTEES

The Trustees of the IPMAT are those people responsible for the carrying out of the business of the Trust ie the running of the Academies/Schools, though management responsibility will be delegated further still to a leadership group made up of executive officers, such as the Chief Executive Officer (CEO), the Deputy Chief Executive Officer (DCEO), the Chief Financial Officer (CFO), the Chief Operations Officer (COO) and the Headteachers of the Academies/Schools. The Trustees are under a fiduciary duty to act in the best interest of the Trust. Members do not have the same fiduciary responsibility.

The Appointment of Trustees

In accordance with the Memorandum and Articles of Association, the Members may appoint up to eleven Trustees. The Board of Trustees may appoint Co-opted Trustees without reference to the Members. At this time, all Trustees have been appointed by the Members.

When there has been a need to recruit Trustees (or Members), they have been approached individually because of the skills they are known to have or have been introduced through the former Academy Ambassadors programme. A meeting then takes place with the CEO, the Chair of the Board and a panel of Trustees to ensure the candidate's suitability prior to a recommendation being taken to Members. Trustees are appointed or co-opted to bring specific skills and experience to the board for the benefit of the Academy.

The Trustees cannot co-opt an employee of the Academy Trust as a Co-opted Trustee if the number of Trustees who are employees of the Academy Trust would exceed one third of the total number of Trustees. The Board do not wish to appoint IPMAT employees as Trustees.

At present, the Trust Board comprises of nine Trustees, three of whom have a background in leadership and management in education. The Chair is a former primary headteacher with 26yrs running four schools. He was a National Leader of Education. During his years as a primary education consultant, he undertook much work training governors and worked as a Facilitator for the National College's Chair of Governor Training Programme. The other Trustees with an educational background bring experience as a senior leader at universities and a serving Deputy Headteacher in another MAT. Other areas of expertise brought by the Trustees include: accountancy, banking, HR, governance, school buildings and plant. One Trustee can offer both banking experience with work as a music teacher.

New Trustees

In order to gain more understanding of how the Trust works, newly appointed Trustees should be given the most recent:

- CEO report to the Board;
- Annual audited accounts for the Trust;
- Papers submitted to the Board about financial performance;
- DfE performance tables for the MAT.
- The Trust Annual Impact Report
- The Trust Prospectus

A programme of induction is provided for new Trustees depending on their existing experience and is tailored to their needs. Trustees are required to attend a safeguarding course and, further to this, a broad range of training and development opportunities are available to support Trustees in developing their skills and knowledge. Trustees are also encouraged to pursue individual training and development opportunities, in addition to participating in development activities undertaken by the full Board.

Each year, all Trustees take part in an annual audit. The focus alternates between auditing the work of the Board and its members or an analysis of individual skills. An analysis of the audit is acted upon annually. All Trustees are required to complete a register of interests, which is updated on a continuing basis.

Core Functions

The Board of Trustees manages the business of the Academy Trust and should focus on three core functions of governance:

- Ensuring clarity of vision, ethos and strategic direction
- Holding the CEO to account for the educational performance of the academies, the pupils and the performance management of staff
- Overseeing the financial performance of the trust and making sure money is well spent

The Board of Trustees must ensure compliance with the Trust's charitable objectives and with company and charity law, and the adherence to the Trust's funding agreement with the Secretary of State.

The Board's main focus is on strategy, performance and assurance rather than on operational matters and this should be reflected in what is delegated. It must be remembered that although functions can be delegated, accountability cannot.

The Articles of Association effectively give the Board the right to delegate any of its functions to an individual Trustee, the Chief Executive or to a committee.

The Board is also responsible for:

- the recruitment of each Academy's Headteacher;
- the performance management of each Academy's Headteacher;
- determining human resources policy and practice;
- overseeing each Academy's budget;
- assessing the risks of each academy.

If any of the Board's functions are delegated, decisions by committees or individual trustees must be reported back to the Board where the responsibility for decisions lies.

Board of Trustees link to LGBs

In order that the Board of Trustees and the LGBs can have good communications with each other, the Chair of the Board of Trustees holds three meetings per year with the Chairs of the LGBs. These meetings take place termly and the dates for the meetings are arranged by the end of the previous summer term. The Chair of the Board of Trustees will then report on his meetings at full meetings of the Board of Trustees. The agenda for these meetings includes disseminating good practice, Trust updates and questions brought by the LGB Chairs. The Chair of the Board also attends meetings of the Headteachers as often as possible.

The Trustees have also begun to make termly visits to the Academies to meet the Head and Governors and to walk round the building during the school day. After a visit to Girnhill Infants School during the spring term of 2020, the Covid-19 pandemic put future visits on hold for the foreseeable future. Hopefully, from the Spring Term of 2022, Academy visits will begin again.

Meetings of the Board of Trustees

The Board of Trustees meets once each term and includes its Annual General Meeting as part of its autumn term meeting. The Board also holds a meeting to discuss and approve the annual accounts in the presence of the auditors. Further meetings can be called if the need arises. In 2021-22, the Board of Trustees met four times. At the Annual General Meeting, the elections take place of the Chair and Vice-Chair of the Board of Trustees, Committee Chairs and the roles of responsibility. The CEO, DCEO, CFO and COO attend all Board meetings.

The CEO is the accounting officer and undertakes all duties linked to this post and is accountable to the Board.

Roles of Responsibility

At the present time, there are four roles of responsibility undertaken by individual Trustees. The areas cover: H&S; Data and Pupil Premium; SEND; Safeguarding; Risk Management; and Mental Health & Well-being.

Committee Structure

The Board at this time has three committees: the Standards & Curriculum Committee (covering all educational and pupil-related issues); the Finance, Audit & Risk Committee (covering finance, risk, staffing and premises) and the Pay Committee. The LGBs are also committees of the Trust Board.

The Standards & Curriculum and the Finance, Audit & Risk Committee consist of half of the total number of Trustees sitting on each Committee with LGB governors, who have relevant experience, also being invited to attend one of the Committees. The Committees will be quorate if three Trustees are present. LGB representatives do not have voting rights. Decisions made at meetings of the Committee are determined by a majority of the votes of the Trustees present. The organisation of the Committees in this way enables the Academies to be represented on the Committees.

The Chair of the Board of Trustees attends both the Standards & Curriculum Committee and the Finance, Audit & Risk Committee as does the CEO. The CFO and COO attend the Finance, Audit & Risk Committee.

The Chair of each Committee will be appointed by and from the Board annually. Neither the CEO nor the Chair of the Board of Trustees may act as the Chair of a Committee.

The Pay Committee consists of three Trustees. The CEO should also be in attendance unless her salary is being discussed. The Committee meets each autumn term and at other times as required. The Pay Committee should ensure the IPMAT pay policy is followed in a fair and equal manner, applying the criteria set by the IPMAT Pay Policy in determining the pay of each member of staff at the annual review. It should ensure that a consistent approach to appraisal and benchmarking of proposed pay awards has taken place, observing all statutory and contractual obligations. It must also keep abreast of relevant developments and to advise the Trust Board when the pay policy needs to be revised also ensuring the Headteachers of the IPMAT Academies and their LGBs comply with the latest Appraisal Regulations. There is also a Pay Appeals Committee, which consists of three Trustees. These Trustees cannot be members of the Pay Committee. This Committee will only meet when an appeal has been put forward by a member of staff following a decision made at a meeting of the Pay Committee.

All Committees are responsible to the Board of Trustees. Each Committee has its own Terms of Reference which has been adopted by the Board and can only be amended with the approval of the Board.

Each Committee is authorised to investigate any activity within its Terms of Reference or specifically delegated to it by the Board. The Committees are authorised to request any information required from any employee of the Trust and all employees are directed to co-operate with any request made by the Committees.

Each Committee is authorised to obtain any outside legal or independent professional advice it considers necessary.

Meetings

All termly meetings of the Board, the Finance, Audit & Risk Committee and the Pay Committee should take place at the Maypole Centre on Tuesdays at 4.30pm. The Standards & Curriculum Committee and the Chairs' meetings takes place at each Academy/School in turn. The dates of all meetings for the academic year are fixed at the end of the previous summer term. During the pandemic, all meetings took place remotely on Microsoft Teams. Meetings are now held either on-line or face-to-face. Face-to-face meetings take place either at the Maypole Centre or at Trust Academies/Schools.

A Clerk must be present at all meetings with minutes recorded. The agenda, minutes of the previous meeting and any reports should be sent out no later than seven days before each Board / Committee meeting. Chairs should receive a copy of the draft minutes no later than a week after a meeting. Confidential items should not be minuted. The GVO (Governors' Virtual Office) is used to keep all informed of dates of meetings, agenda and minutes and policies.

Attendance

It is important that Trustees make every effort to attend and, to help Trustees, dates are fixed for the next year by the end of the summer term. Attendance is important and Trustees' attendance at meetings has to be reported in the Trustees' annual report which is included in the IPMAT's audited accounts. The Trust also has to publish the names of Trustees and their attendance records on its website.

Quorum

Meetings are quorate if three Trustees or one-third are present. If a vote is required to remove the Chair or a Trustee, it will require two-thirds of Trustees present, rounded up to a whole number. This is stated in the Articles of Association.

All Trustees should contribute to meetings to ensure discussion and debate. Trustees must never be afraid to ask questions throughout meetings.

Termly Meeting

Each termly meeting of the Board of Trustees should include:

1. The Chief Executive Officer's report:
 - the performance of the Trust overall and each school within it;
 - contextual information ie any changes or updates to be reported eg enlarging the Trust;
 - update on the Trust's strategic plan, demonstrating where progress is on course or where less progress is being made, reporting on any issues which have arisen;
 - any high risks to the organisation and how they are being addressed;
 - any feedback from stakeholders: pupils, parents, staff;
 - training needs;
 - an annual report from each LGB, stating what has gone well, where it could improve and the impact it is having;
 - horizon scanning: what is likely to happen in the future and the effect it will have on the Trust;
 - major management issues: key staffing changes at senior level and key management decisions that Trustees should be made aware of.
2. The Chair of the Trustees to report on termly meeting held with LGB Chairs.
3. The Chief Financial Officer (CFO) should give a summary of the overall financial position of the Trust and any issues from individual academies.
4. The Chief Operations Officer (COO) should report on safeguarding, HR issues and any matters regarding the general running of the Trust.
5. Important correspondence which needs bringing to the attention of the Board.
6. The minutes of the Finance, Audit & Risk and Standards & Curriculum Committees are shared and Chairs of the Committees should be available to discuss any points raised.
7. Reports of conversations and visits by Trustees.

Data and Academy Performance

All Trustees need to understand performance in relation to the following external data:

- Early Years Foundation Stage (EYFS) – baseline and end of Reception;
- Year 1 Phonics Screening and Year 4 Multiplication Test;
- Key Stage 1 and Key Stage 2 data – progress and attainment;
- Floor standard – whether academies are falling below the DfE's floor standard;
- 'Coasting' – whether any academy falls into the 'coasting' school definition;
- Disadvantaged pupils and any gap between them and their peers;
- Attendance rates and any negative links to performance. Trustees should seek reasons for poor attendance and ask what strategies are in place to improve it.

It is necessary to know how each academy performs compared with other local schools and against national data.

In addition, it is important to receive information about different groups of pupils and their achievement compared with other groups in the academy. Such groups are:

- Pupil premium pupils;
- Boys and girls;
- Pupils with special educational needs and disabilities (SEND);
- Pupils with English as a second language;
- Ethnicity.

If there are issues regarding data or pupil groups, Trustees should always ask for explanations as to why the situation is, how it is and what is being done to improve performance.

Standards & Curriculum Committee

It is the role of the Standards & Curriculum Committee to monitor and advise the Board of Trustees all educational and pupil related areas:

- The curriculum: all academies should provide a broad and balanced curriculum;
- Performance of all pupils: attainment, progress and achievement in relation in particular to Reading, Phonics, Writing and Mathematics;
- Monitoring due diligence and post-OFSTED action plans along with other formal evaluation reports received about each Academy;
- Pupil Premium
- SEND and inclusion;
- Leadership standards;
- Pupil, parent and staff surveys;
- Health & Safety and Safeguarding;
- Admissions and Mobility;
- Equal opportunities;
- Partnership working;
- Community engagement;
- Governance effectiveness;
- Professional development of academies' staff and training needs of governors and trustees.

To ensure Trustees gain greater insight into the individual academies within the MAT, the Standards and Curriculum meeting takes place at a different Academy/School each term. Prior to each meeting, Committee members have the opportunity to tour the school. At the meeting, the CEO reports on issues relating to school and pupil performance and a curriculum area is always an agenda item with a subject leader asked to give a presentation of the subject how it is delivered and monitored.

The remit for the Standards & Curriculum Committee is large. It would be impossible to have in depth discussion on all the items listed above at every meeting. The termly agenda should not be expected to include every area at every meeting.

Detailed Responsibilities

Curriculum and Quality

- The Academies' statutory requirements in relation to the curriculum offer and other curriculum issues such as spiritual, moral, social, sex and relationships education, British values and cultural learning;
- Extra - curricular activities;
- The educational needs of all pupils attending the Trust's Academies;
- The Trust's policies in relation to its Curriculum Statement;
- To determine and update relevant strategies relating to the above.

Performance and Standards

- To monitor and review the achievement of strategic objectives, in particular the overview of performance against quantitative and qualitative benchmarks for key indicators/outcomes and the OFSTED framework, providing challenge and recommending remedial actions where required in line with the School development Plan.

Self-Assessment and Review

- To receive information on curriculum and quality issues for each of the Trust's Academies;
- To receive progress reports on the implementation of post-OFSTED action plans, due diligence action plans and any other formal evaluation reports related to the quality and achievement of learning across the Trust, to further inform and develop the Trust's Quality Improvement Plans and strategies;
- To review outcomes for different groups of children, including SEND and Pupil Premium, identifying significant changes in performance, emerging trends and risks in relation to the future performance of each Academy.

Finance, Audit & Risk Committee

It is the duty of the Finance, Audit & Risk Committee to monitor and advise the Board of Trustees on all matters related to finance, staffing and premises. It will:

- fulfil its responsibilities in line with the Academies Financial Handbook, the Trust's Financial Regulations and in compliance with the Funding Agreement with the Secretary of State of Education;
- consider any relevant legal and contractual documentation operating within the Articles of Association, Scheme of Delegation, Funding Agreement and Financial Regulations;
- monitor the budgets of the Trust and each of the Academies;
- advise the Trust Board on progress to achieving its financial objectives;
- monitoring policies relating to finance, staffing and buildings, including Health and Safety, capitalisation, depreciation, treasury management, investment and borrowing;
- acquire or dispose of land to be used by the Academies;
- monitor the financial elements of the Risk Management Policy including Health and Safety, buildings and insurance;
- manage the accounts of the Trust, and advise the Trust Board on the year end accounts;
- monitor strategic matters with financial implications concerning sponsorship of Academies;
- monitor policies in relation to non-educational services such as Human Resources, publicity and marketing and to agree changes as necessary;
- monitor the deployment of non-financial resources, including personnel and property, with a view to advising the Trust Board on the effectiveness of such resources;
- advise the Trust Board on the remuneration packages of the CEO, other senior officers and Headteachers and in doing so shall consider the following component elements:
 - basic salary;
 - pension provisions;
 - the main terms and conditions of each individuals' service agreement, with particular reference to the notice provisions.

All decisions must take account of the Trust budget.

LOCAL GOVERNANCE BOARD (LGB)

Each Academy/School will have its own LGB. The LGB is in effect a committee of the IPMAT Board of Trustees, the governing body of the Trust. Sub-Committees are not required. The LGB's main purpose is to support and challenge the CEO and its Headteacher, making sure every child makes good or outstanding progress and that all parents /carers are involved in their child(ren)'s education. As the Board of Trustees manages major areas such as finance, staffing, H&S and HR, the LGB can focus on the most important areas for the children and the Academy/School. It is expected that the LGBs will shrink in size as governors' terms of office come to an end.

Members of LGBs are encouraged to put themselves forward for co-opted membership of either the Standards & Curriculum Committee or the Finance, Audit & Risk Committee if they have relevant experience. They do not have voting rights.

Commitment

The LGB hold one meeting and a Development Morning / Afternoon each term. At the first LGB meeting of the academic year, the AGM takes place before moving on to the agenda. The election of the Chair and Vice-Chair of the LGB takes place at the AGM as do the posts of responsibility: Pupil Premium, SEND, Safeguarding and Sports Funding. To help Governors, the dates of all meetings for the next school year are published at the end of the previous year's Summer Term. All Governors should endeavour to attend all meetings.

Reducing the size of the LGB:

As and when appropriate, the size of LGBs will be reduced as terms of office come to an end. The LGB should eventually consist of between seven and nine governors: the Headteacher and one staff member; at least two parents; and either three or four co-opted governors. Neither staff nor parents should have more than one third of the total. Staff members cannot be co-opted members of the LGB nor can they be parent governors if they work at the school for more than 500hrs in any consecutive twelve month period.

Associate members (not a compulsory category) should be senior members of staff who can attend but do not have voting rights. Their presence can be used for their personal development and also to clarify and offer advice if the Head is unable to attend. In documentation and the school website, they should be listed below the group of governors (staff, co-opted, parents, associate member). If other members of staff wish to attend, they should be termed observers and not be included in the list of governors. It is not good practice for members of the same family to be on the LGB.

LGB Role

The LGB has to contribute to the strategic direction of its Academy/School and the MAT by contributing to discussions at meetings which consider:

- vision and values;
- clear and ambitious strategic priorities and targets;
- access of children, including the disadvantaged and those on the SEND register, to a broad, balanced and engaging curriculum; ensuring all groups and individuals are making good or better progress;
- monitoring Government funding: SEND, Pupil Premium, Sports Funding and Recovery Funding

- safeguarding
- the quality of teaching;
- the implementation of the Trust's policies;
- the development of links with the local community; and
- the establishment of mechanisms to promote good parent/carer/family relation

It must hold senior leaders to account by monitoring the Academy's/School's performance which includes:

- agreeing the outcomes from the Academy's/School's self-evaluation and ensuring they are used to inform the priorities in the Academy's/School's action and development plan;
- considering all relevant data and feedback provided on request by Academy's/School's leaders, the Board of Trustees and other external sources on all aspects of Academy's/School's performance;
- asking challenging questions of Academy's/School's leaders;
- ensuring senior leaders have implemented the required policies and procedures and the Academy/School is operating effectively according to those policies;
- acting as a link governor on a specific issue, making relevant enquiries of the relevant staff, and reporting to the governing body on the progress on the relevant Academy/School priority;
- and listening to and reporting to the Academy's/School's stakeholders: pupils, parents, staff, and the wider community, including local employers.

When required, the Trust Board may invite members of the LGB to:

- appoint staff in the Academy/School;
- hear discipline, admissions and appeals cases

The LGB members must follow the principles and commitments set out in the Trust's Code of Conduct. They do not run the Academy/School but support, challenge and scrutinize the work of the school Headteacher and staff, overseeing the Academy's/School's long-term development in conjunction with the Trust.

The LGB relies on people bringing with them a variety of experiences and perspectives. No specific prior knowledge of governance is required. The appointed members will have a range of skills and come from a range of backgrounds. Training and support will be available for new and existing LGB members.

Finance

The annual budget is set by the CFO working alongside the Head and the School Business Manager. Each Academy/School has access to a School Business Manager, who is shared with another Academy/School. It is important the budgets are monitored closely over the course of the financial year. LGBs no longer require a sub-committee for finance as the budget position is reported at each meeting on the IPMAT Budget Position Form.

Over the past year, the IPMAT Central Team is more able to support the Academies/Schools and their LGBs with the appointment of an extra Finance Officer, an HR & Payroll Officer and an Estates & H&S Officer.

Agenda for LGB Meetings

The agenda for each termly meeting includes the following items using OFSTED reporting headings:

- 1. Apologies for Absence**
