Friday 22nd September 2023

Dear Parents and Carers,

This week has included the first of our parent, carer workshops and focussed on *sleep*. Thank you to all who attended and we hope you now have some *sleep superstars*.

We were thrilled to welcome so many of you to the meet the teacher sessions and have received lots of positive feedback. We hope you enjoyed time in your child's classroom and found them informative. You will receive an email on Monday of the slides that were shared during the session. Please return your feedback slip if you haven't done so already or do call into the office to collect one. Your feedback is important to us.

Can you help?

We are continuing to develop our playtime and lunchtime provision and you may have noticed the lovely new sheds on the playground. We are very excited to have a reading shed where children can access a range of reading materials in the pavilion during these times. We also have our libraries open during lunchtime each day. We would like to add some magazines into our collections and would welcome any donations you may have of children's magazines. Please pass them on to your child's class teacher or the main office and we thank you in advance.

Y5 Swimming

Work continues at Normanton swimming pool and we have received an update regarding a proposed reopening date. This is estimated at being completed by Monday 16th October following which, we will receive a further update regarding our swimming sessions commencing.
