Meet the Teacher

Dear Parents and Carers,

We have had a wonderful start to the school year and are really impressed with how the children are approaching their work and learning with such effort and positivity.

Many of you will have already met new staff and your child's class teacher however, we would like to offer the opportunity to come into the classroom and hear more information about what your children will be focussing on and our expectations.

Each class will offer a 20 minute session next week and we hope you are able to join us. We have tried to avoid meetings of siblings at the same time but where this has not been managed, please feel free to contact school and the class teacher will make contact with you. Information shared at the session will be emailed to families.

Please meet outside your child's classroom/entrance door where staff will meet and welcome you into the classroom.

Please see dates and times below.
