Friday 19th April 2024

Dear Parents and Carers,

I'm amazed at just how quickly the weeks pass by but am excited about all the wonderful plans we have to look forward to over the coming months.

It is a pleasure to spend time around school and in classrooms each day and experience the delight, challenge and achievements of the children. Many come along and knock on the office door to share their work too and it is a very welcome break at times.

Consultations

Thank you to everyone who attended appointments with the child's class teacher. It is important to discuss progress and next steps of learning as we near the end of the academic year. Please ensure you confirm an appointment if you have not done so already.

Electric scooters

Please be aware that electric scooters are not permitted to be stored in the shed on the school site.

Electric scooters can only be used on private land with the landowners permission. It is illegal to use them on public roads, on pavements, in cycle lanes and in pedestrian only areas.

THANK YOU to everyone is who is kindly saving plastic bottle tops for us! All are greatly received and Mrs Panton is having to request some new collection boxes as they are filling up quickly.

Please would anyone have any spare or left over green fence paint at all? We'd like to pain the planters near the front entrance as they are looking a little tired and it will hopefully brighten them up. It shouldn't take a lot and would be much appreciated. Thank you in advance.

Congratulations to 3P for achieving the highest attendance this week!
